15. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- Haitian is the sole reason I have been able to find any degree or success in this class. Even after emailing the professor several times to explain my confusion and lack of understanding, Haitian was the only individual who took the time during office hours to explain every concept slowly. I went from being lost on day 2 to understanding concepts I never had. Rather than just memorizing formulas I was taught the motivation behind them. Definitely the best TA I have ever had.
